project management software

PROJEKTRON BCS

ERP & PROJECT MANAGEMENT

Projektron BCS.start is available for 20 euros per licence per month (SaaS) or 200 euros per licence (on-premise). The edition is aimed at project-oriented companies and teams with up to 15 employees. It provides a **central tool** that supports all essential work processes - far beyond project work. For a detailed list of features, see **projektron.de/en/bcs/editions**
